PROFESSIONAL PROFILE

As a UI/UX designer, I'm passionate about creating attractive and user-friendly interfaces for websites and apps. With over 5 years of experience, I've designed for various platforms, including web, mobile, and more. I am Proficient in industry-standard tools such as the Adobe Suite, Sketch, Figma, and Invision, I bring an expert-level proficiency to each project I have worked on. Let's work together on great design solutions.

PROFESSIONAL EXPERIENCE

June 2017 – Present

Freelance UX/UI Designer

Jude's Design Portfolio (Malmö-SE)

- I craft visual designs for websites, logos, and more, ensuring a blend of aesthetics and functionality
- I communicate, gather feedback, and align projects with client visions.
- I manage scheduling, invoicing, and essential administrative tasks to uphold an efficient freelance practice.
- I stay current with design trends and market demands to offer clients innovative solutions that stand out.
